Dear Sir or Madam,

As a recognized leader in providing affordable, quality housing in Cumberland and/or Perry counties, you are being invited to attend a small Focus Group meeting of Landlords on Wednesday, June 11, 2008. This meeting is sponsored by the Cumberland/Perry Local Housing Options Team and is being held from 8:30 a.m. to 10:00 a.m. at the Community Room at East Gate Apartments, East Gate Drive, Carlisle, PA. (Directions are being included with this mailing.) Continental Breakfast will be served. The meeting will be facilitated by Diana T. Myers and Associates of Philadelphia, a private consulting firm, with funding from the Pennsylvania Association of Area Agencies on Aging.

The mission of the Cumberland/ Perry Local Housing Options Team (LHOT) is to promote and advance the availability of safe, accessible, affordable housing that meets the needs of and maximizes choice for all people with disabilities. We address our mission through collaboration among and between private, commercial, and public organizations and resources.

The purpose of the focus group is to identify barriers landlords experience when providing rental units to persons with disabilities. We are interested in learning about your experiences, both positive and negative. We will then use your knowledge and insight to assist us in developing a strategy to remove obstacles and increase housing opportunities for these individuals. Please be assured that any information you share will be kept confidential, and will be used only to assist the LHOT in working toward our mission of maximizing housing choices for persons with disabilities.

We appreciate your response as to whether or not you will be able to join us on June 11. Please fill out the attached Response Form and return it to us no later than June 5, 2008. You may contact Linda Shuey, Local Housing Options Team Coordinator at 717-240-7725, with any questions you may have.

Thank you for your interest and I hope to see you on June 11, 2008.

Sincerely,

Richard An Coccimiglio  
President, Cumberland/Perry Local Housing Options Team
